CRAFTING TIMBER FOR A LIFETIME

Wedding Fever!

Do you want to create a natural feel to your wedding? Add some organic stylish touches? Be inspired and embrace your creative side! Logs, log slices and tree stumps can help you add a unique element to your day.

Complete your rustic theme with tree stumps for stools. The individuality and beauty of the natural shapes will bring elegance and simplicity to your celebrations.

Log slice centre pieces can be decorated with candles, flowers, garlands and table names. Log cake bases can be tiered to hold individual cakes or a single base can display a tower of cupcakes.

As you party into the evening, the soft lighting of candles on log slices and tree stumps will enhance the mood of the evening so all your guests enjoy the evening and your chic decorations.

Use log slice plaques for the table names, seating plan,
